Education **University of North Texas – College of Liberal Arts & Social Sciences** **2019**

- 📌 **Degree:** Media Arts, B.A. – **GPA:** 3.9
- 📌 **Awards:** President's List (Fall 2017, Fall 2018, Spring 2019), Dean's List (Spring 2018)
- 📌 **Honors:** Phi Kappa Phi Honor Society (*top 10% in class*), Suma Cum Laude graduation honors

Special Projects **Lego Mindstorm Robotics Series – Lead to Achieve Foundation / READ Foundation** **2022**

- 📌 Edited and directed a series of educational videos teaching children about STEM and robotics using Lego Mindstorm robotics kits;
- 📌 Contributed to script writing and location scouting;
- 📌 Filmed stop-motion animated short film using Lego and Lego Mindstorm robots—and experimented with AI-enhanced full-motion interpolation;
- 📌 Created videos suitable for children, ensuring they remain engaged and interested even with advanced STEM topics.

Colorist – Somewhere in Between (Short Film) **2019**

- 📌 Color corrected the completed film;
- 📌 Worked with the director to make the final changes to the film editing on a tight deadline;
- 📌 Selected for the Topaz Film Festival 2019.

Live Election Coverage – North Texas Television **2018**

- 📌 Selected as in-studio camera operator for the election coverage;
- 📌 Covered the local results live and election-day analysis.

Work Experience **Promo Editor/Multimedia Manager – UNT Robotics & Aerospace** **2020 – Present**

- 📌 Edited event, workshop and competition video footage;
- 📌 Digital asset management for all multimedia footage, such as from events, build days and workshops;
- 📌 Set up cameras and lighting for events and on-board cameras for competitions;
- 📌 Helped create live-stream technology for an internet-controlled virtual robotics tournament.

Instructor – Youth Media Lab (UNT-based instructional media program for foster children) **2019**

- 📌 Coached and mentored teenagers and children on understanding the media that they consume and how to use media to tell their own stories;
- 📌 Taught scriptwriting and interview skills, as well as how to shoot and edit narrative and interview film;
- 📌 Trained the students to use lavalier and boom microphones while recording onto Zoom microphones;
- 📌 Tutored the students to set up studio cameras, level audio and to use a control board.

Camera Operator – North Texas Television **2018 – 2019**

- 📌 Operated the studio camera and jib camera;
- 📌 Focused on the host desk as well as the weather green screen;
- 📌 Taught and led junior camera operators as the most senior camera team member.

News Audio – North Texas Television **2018**

- 📌 Balanced all the audio inputs including four studio microphones, two field audio inputs, as well as pre-edited packages, commercials and bumps;
- 📌 Worked with the talent to ensure their microphones were correctly placed, and made sure the batteries were correctly maintained and sufficiently charged for each segment;
- 📌 Ensured the director and control room had the correct audio levels.

Production Designer – Texas Student Television **2016 – 2017**

- 📌 Led the production design and worked closely with the director to make decisions about sets, props, extras and themes;
- 📌 Managed the design budget and helped plan scenes;
- 📌 Organized props and ensured prop continuity between scenes, and supervised scripts as needed.

Volunteer Experience **C-USA UNT Softball – Camera Operator & Instant Reply Operator** **2019**

- 📌 Operated the 3rd base camera for live broadcast on C-USA;
- 📌 Controlled the instant replay recording and playback, including adjusting timing for slow-motion or variable speed replays under the director.

Lone Star EMMY Awards – Video Controls & Timing **2018**

- 📌 Loaded and played the previews for the nominee for each award during the live broadcast;
- 📌 Managed the timeline for nominee's videos, speeches and introductions to ensure each section stays on track.

Skills **Programs** **Equipment (Cameras & Sound Recorders)**

- 📌 Adobe Premiere Pro
- 📌 Adobe Audition
- 📌 Adobe After Effects
- 📌 Adobe Photoshop
- 📌 Avid Media Composer
- 📌 Avid Media Composer User 2018 Certification
- 📌 Ross Switcher
- 📌 Panasonic EVA I
- 📌 Panasonic DVX 200
- 📌 Zoom H6
- 📌 Sound Devices 702
